AMA Request: NegatedVoid & eldigg by rinsewash in UIUC

Your account is only 5 hours old and you are already asking detailed questions about activity on this subreddit, which is something that Dennis has done in the past.

Do you have proof that you aren't Dennis or someone else working for or against Suburban Express?

OP did not sound completely serious. A personal attack is unnecessary.

You would be better off spending more time trying to provide better customer service instead of trying to troll people on this subreddit.

Nice try....

It is obvious that you are another Suburban Express throwaway.

Redditor for 1 hour

I think the OP is from Suburban Express or is another person trying to troll us. A passenger is not going to randomly decide to get off the bus in the middle of a trip and run outside naked, especially

↓ They definitely care, considering the fact that Suburban Express has pages about redditors who criticize their business practices.

Also, I think you are from Suburban Express.

It is really hard to take you seriously when your account is new and you sound like Dennis.

↓ I think that [/u/LordSubEx](#) is Dennis based on his posting style, but how can we present our evidence in a way that people outside of Reddit will understand?

I have had difficulty convincing people who don't use Reddit that Dennis is behind the throwaways.

↓ I can't tell if you are from Suburban Express or another troll attempting to make Suburban Express look bad.

Either way, you should stop posting. If you are not Dennis, you are distracting people from the throwaways that are obviously from him.

Remove Illegal Suburban Express Flyers in Classrooms by TakeDownSubExFlyers in UIUC

↑ [-] **GokuBlocks** 2 points 7 months ago

↓ I would prefer riding Peoria Charter over Suburban Express because I don't want to risk paying ridiculous fines or getting sued.

Also, I don't want to give my money to a business that spends a lot of effort suing and harassing people.

↓ This sound like a great idea and I would definitely participate. We need to make sure that Suburban Express is not defacing University classrooms with advertisements.
