COUPON codes for Suburban Express or Peoria Charter? by andrea4242 in UIUC

↑ ↓ [-] UnknownOrange 3 points 15 hours ago
 ↓ /u/melisseconduitlesbus is a Suburban Express employee and should not be trusted.
 Suburban Express has repeatedly harassed people on this subreddit using throwaways over the past year and has threatened to sue the moderator of this subreddit twice. Also, the owner has been arrested for harassing two customers on /r/uiuc.

Welcome days for freshmen by kor21 in UIUC

↑ ↓ [-] UnknownOrange 4 points 1 day ago
 ↓ You have to register for Convocation?

Last year, it was a mandatory event for all freshman, and many of them did not want to go. I doubt the University would want to make it more difficult for them to go.

Italian-Americans at U of I by KrisJohnski in UIUC

↑ ↓ [-] UnknownOrange 3 points 1 day ago
 ↓ There are plenty of Italian-Americans on campus, but you will not always realize that you are interacting with one. I was friends with one last year, and I did not realize he was Italian until he told me.

 ↓ OP is probably not Dennis. The post is not consistent with his typical writing style.

↓ How do you know it is not one of the other trolls on this subreddit?

Creating a throwaway account with 1 post is a simple process that takes 1 minute. There are plenty of other trolls on this subreddit who would be willing to go through that effort.

↓ Dennis is not the only racist person on this subreddit. There is no evidence that this post was specifically made by him. Also, most of Dennis's posts revolve around arguing with critics or defending Suburban Express.

The OP is probably another troll or an immature freshman.

↑ [-] [UnknownOrange](#) -1 points 1 day ago

↓ Yeah, Perry's actions were questionable, but the possibility of him facing jail time for it is ridiculous. The district attorney he was trying to get rid of had issues with drunk driving and verbally abusing police officers, which is worse than what Perry did.

↑ [-] [UnknownOrange](#) 2 points 1 month ago

↓ As several of the other posters have mentioned, this source is questionable. It doesn't give much evidence beyond one questionable tweet.

It wouldn't be difficult to find controversial online posts by other professors here and write a similar article.
