You are sloppy in the details and are VERY predictable. You gave yourself away...and those who I informed know how. But I'm not going to argue with you Dennis. You have been caught.

No. I am right...and you know I am right too, **DENNIS**

I have also shown a select few just how right I am and they agree.

Just an FYI for everyone, **Dennis created "notmyregular8account" and posted this.....trying to act like a student and indirectly scare students into thinking he can "figure out who everyone is".**

Like seriously, this is fucking sick Dennis.

...You've been caught yet again.

Since they operate across multiple state borders, I believe it becomes a federal issue.

I would also like to point out, Dennis **still has not** said who apologized, yet continues to claim someone did.

Please don't forget about all of these students:

[http://www.judici.com/courts/cases/case_search.jsp?](http://www.judici.com/courts/cases/case_search.jsp?court=IL027015J&sort=full_name&order=ASC&case_number=&litigant_name=suburban+express&)

Many of them don't even realize they are being sued since they have not received a summons yet.

Please provide them with any resources if you have any.

Please do tell who did...because according to this "Letter to the Editor" someone did. I, along with everyone here would **LOVE** to hear this one

Guys, I think this was a misunderstanding. The initial comment was directed at Dennis saying he was an "idiot" and the second comment thought that was directed at the student. You both agree!

If you didn't apologize, then the basis for this entire thread is **BULLSHIT** saying you did.

Suck a fat one Toeppen.

and good, get the fuck out of town. Hopefully you know better and don't come back.

In previous conversations between the two, one of Dennis' throwaways addresses him (</u/rivardausubscript>) directly by Reddit name and real name...but then the threat is quickly deleted. Look at the link above, you will see a bunch of "deleted" comments by that throwaway

New Daily Illini article which even mentions this thread:

http://www.dailyillini.com/news/local/article_43a45b74-ae1a-11e2-9a0d-0019bb30f31a.html

...but the sad part is most of these students have **zero** legal representation nor the means to afford any.

There is still a throwaway comment purportedly by the owner of suburban express:

http://www.reddit.com/r/UIUC/comments/1cvvlf/the_high_ground_and_suburban_express/?sort=new

Look at the newest comment on the thread....a terrible comment meant to humiliate an individual who lost his son due to liver cancer and went bankrupt trying to pay his medical bills. This is just sick. Please read the individual's story on that thread. It nearly brought me to tears.

Here is the comment in case it gets deleted:
