Techdirt: The Popehat Signal Goes Out Against Suburban Express by **AlmostGrad100** in UIUC

↑ [-] **Oh-Yes-He-Did** 3 points 8 days ago*

↓ If you look at Yelp, Katherine C. says she has been consistently harassed and is going to sue. If Dennis sues Chris, I am sure he is going to sue. Seems like Dennis will soon have his hands full with suits, and for Dennis, this costs him time, money, and riders (due to media coverage). The ball is in his court. And to think, had he just kept his mouth shut, none of this would have ever happened.

All of the time and money he is putting into attorneys appears to be getting him nowhere. Lets not kid ourselves, Dennis getting the dismissal with prejudice vacated to just a dismissal means nothing. It's a little mental victory for him after having buyers remorse. He has not won a single thing. Absolutely nothing. The only thing he won is a \$5000-\$10000 bill from his attorney. Sounds more like a literal financial loss for Suburban.

It's like Dennis is paying to lose customers.

↓ Ok Dennis,

I notice on Popehat.com, you mention that Katherine-C and Mr. Mulreed are the only libel cases, the rest are "fraud". Care to comment about how you threatened the Reddit moderator with a libel suit and filed a complaint against Jeremy with a "disruptive behavior" suit?

You also say on Popehat.com that "We want to keep our options open on the more egregious cases of fraud and theft." Are you insinuating that Katherine-C and Jeremy are thieves and or have committed fraud since they were part of your 21 cases to vacate the dismissal with prejudice? If I'm not mistaken, that is libel.

...this is especially interesting given you are threatening to sue Mr. Mulreed for saying "scumbag and a crook" as highlighted in the draft of your complaint against him. It appears as though you are calling Jeremy a crook.

Added: Regardless of whether you comment, your business is going down the tube. I'm sure this upcoming school year students are going to rally against Suburban Express. I have never seen anyone, ANYONE, dig themselves a hole like you have. As educated as you are, you are the dumbest person I have ever encountered. I for one will make it a priority to inform everyone I know on campus to stay away from Suburban Express. I have seen the flyers you put in classrooms, I will mark every single one with a warning to STAY AWAY. Hell, I will even write on the chalk boards. I have a feeling that this is far from over.

↓ We went over some of them in my Advanced Topics in Litigation and Dispute Resolution class. There are other lawsuits where a bus never showed up, a rider cancelled the payment (since the bus never showed up), and Suburban Express sued for a "dishonored payment". Then another where a student was sued for "disruptive behavior" when a verbally abusive bus driver criticized him publicly for not understanding English. These two are only a snapshot.

↓ All I can say is that Peoria Charter is relatively much much shorter (and wayyyyyyy cheaper!) than Suburban Express when taking lawsuit travel into account. When compared with other bus companies that provide a similar service, Suburban Express is more likely to sue you in Ford County which will require:

- 1) The initial 3 hours from Champaign to Chicago.
- 2) Another 2.5 hours from Chicago to Ford County (with your own vehicle).
- 3) Between 1-2 hours at the Ford County Courthouse
- 4) Then yet another 2.5 hours back from Ford County to Chicago (once again, with your own vehicle).

This totals between 9-10 hours plus gas money and a bill of potentially \$100+. Peoria Charter is definitely the better choice.

Suburban Express court date to vacate dismissals with prejudice to enable 20+ lawsuits to be reinstated: July 30th 1:30pm Ford County Courthouse by [Oh-Yes-He-Did](#) in [UIUC](#)

↑ [-] [Oh-Yes-He-Did](#) [S] 24 points 18 days ago*

↓ Sure.

Firstly, **IF YOU ARE A FRESHMAN, THIS IS A WARNING...STAY AWAY FROM (DON'T RIDE OR ASSOCIATE WITH) SUBURBAN EXPRESS!!!!**

Suburban Express last April attempted to sue 125 students, most of which were from the University of Illinois. Many of these lawsuits included students who got charged a "fine" of between \$100-\$500 for accidentally using their return ticket instead of original ticket, getting on/off at the wrong stop, "disruptive behavior", and other predatory "violations". Furthermore, Suburban Express attempted to sue the students in Ford County, 40+ miles away from the University of Illinois so that the University's Student Legal Services could not defend students.

When news got word of this, Dennis, the President of Suburban Express, tried to silence those speaking out, including [the UIUC Reddit Moderator to whom Dennis had his lawyer send a threatening letter](#). Recently, this same [lawyer](#) (a different lawyer than George Bellas) [sent ANOTHER letter](#). You can see ALL of the articles here:

http://en.wikipedia.org/wiki/Talk:Suburban_Express#Links_related_to_Controversy

Some of the editorials include the [Chicago Tribune](#), [Daily Illini](#), [ArsTechnica](#), [ABA Journal](#), and others.

Due to the negative publicity, Dennis decided to "dismiss" the lawsuits with prejudice to avoid further negative publicity. Dismissing a case with "prejudice" means it CANNOT be refiled....but there is a loophole.

Within the 30 day limitation, Dennis filed to vacate the "dismissals with prejudice" to just plan "dismissals" (while school was out of session) in an attempt to reinstate 20+ of the lawsuits. July 30th 1:30pm at the Ford County Courthouse is the date/location of this hearing. If this motion is granted, Dennis is allowed to reinstate the lawsuits against students.

This comes after Dennis told MANY editorials that he intended to drop all lawsuits as seen [here](#) and [here](#). In other words, Dennis lied.....again.

Dennis has also been known to purportedly troll Reddit and threaten students who speak out against him calling them "virgins and compulsive masturbators". Furthermore, Dennis has made pages to harass those who speak out against his company. Both can be seen [here](#)

For more info, look at the top of [/r/UIUC](#) subreddit. You can see the, "Don't ride Suburban Express! They've sued hundreds of their customers, threatened the mods with legal action, have terrible reviews, and more." as a warning.
